Ready Or Not

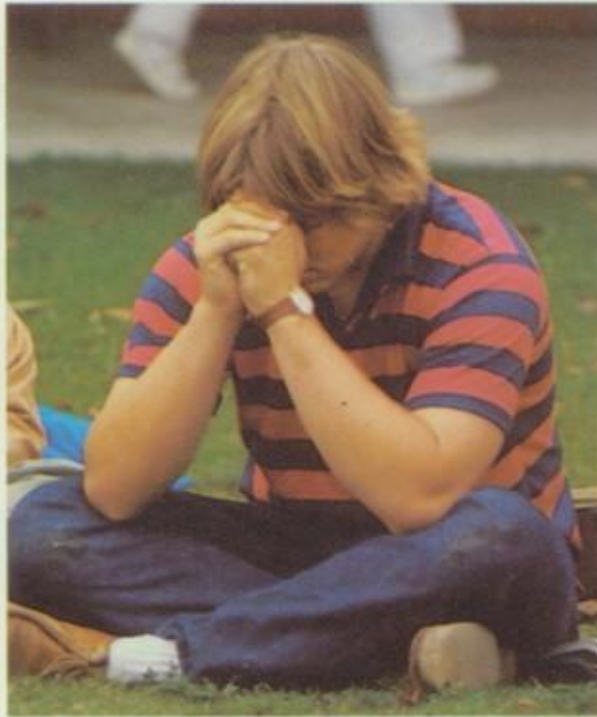

Again the Baron campus was filled with the conversations and laughter of busy students, but unlike in the years past a few changes had taken place. The carpeting was gone from the halls and even big, bold red letters on the sides of the lockers were not noticeable. But, even more was different: Faces. Not only were lost and confused Freshmen a new addition to the Baron Manor, but also the more familiar students were new. We looked at our campus in a new way — at least those juniors were seniors, the sophomores juniors, and the freshmen sophomores. Everyone was anticipating a different kind of year this was to be one for learning, change and getting involved. Were we ready?!

Ready Or Not

The new bell schedule had everyone confused. This subject had much room for debate among most students. Some liked it because it gave more time to sleep while others, namely seniors, were disappointed because it meant having to stay after lunch.

1983 was a year for change in styles also. Styles in clothing changed from the more conservative "preppy look" to the flashy "Rock-A-Billy" and "mod 2" styles. Stonewashed painted jeans were very in, along with "New Romantic" hairstyles.

Our campus was a place where a little bit of everything was displayed — no one was afraid of trying something different.

We were ready for a change.

Ready Or Not

Getting involved was the motto for many this year. Because of the wide range of options open to students, everyone had a chance to get involved with what interested them. For some, basketball and football were ideas for total bliss, while others were interested in Key club or drama. Even if clubs or sports weren't your idea of a great way to spend some time, students here at F.V.H.S. filled their time by participating in social events such as games and dances. We were ready to be involved!

Dear Erick - This year has gone so fast!! It's hard to believe I'll be leaving. Part of the hardest things about leaving (what did I just say???)

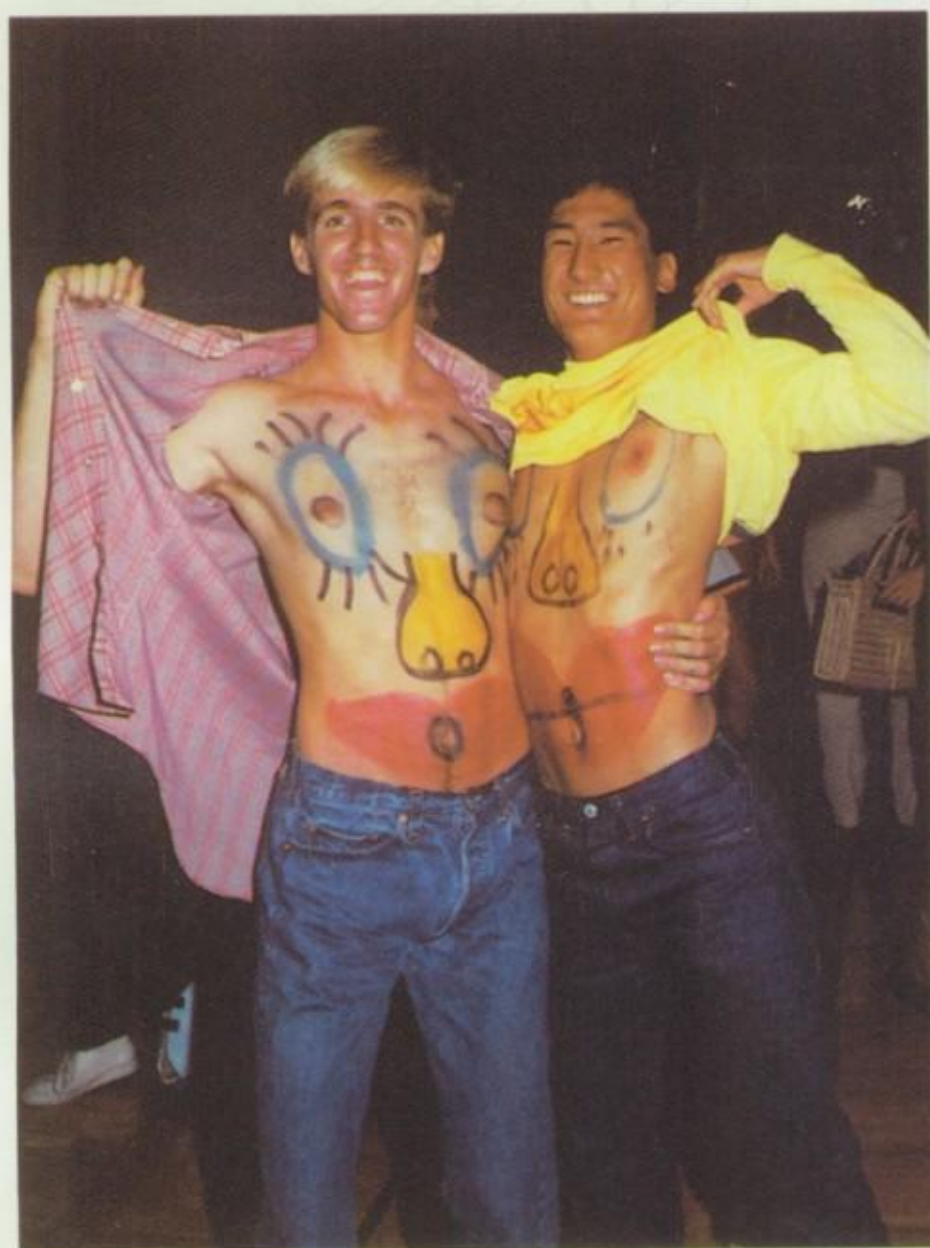

well you know what I mean. It's hard to leave all of my friends. I'm glad I got to be your friend. Thanks for doing such an awesome job with my Senior K-Family Banquet!! I think you're a really nice guy. Good luck next year Erick, most of all have a lot of fun!! You're senior year is going so fast. Enjoy it!!

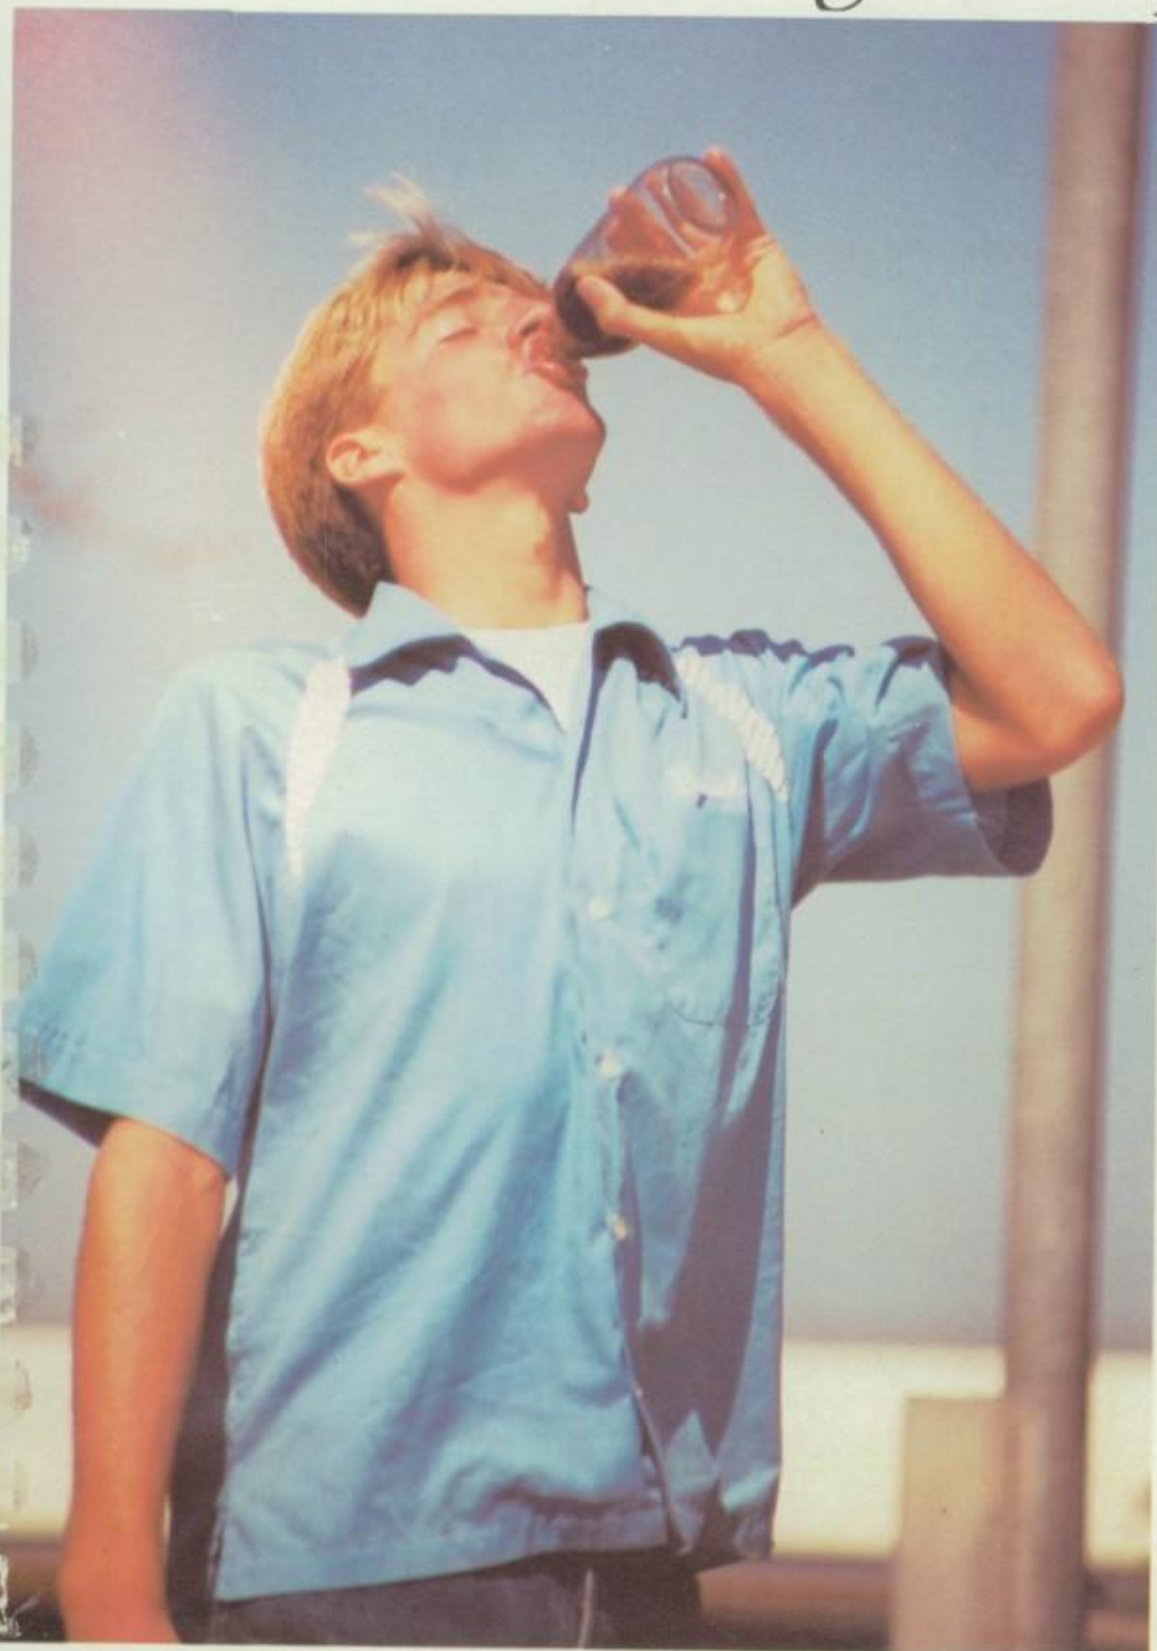

Friends Always,

1982 "Putting on the Ritz"

On October 22nd, 1982 at 8:00 pm, Fountain Valley's homecoming dance was held at the Registry Hotel in Irvine.

The black tie occasion was attended by approximately 175 couples. Putting on the Ritz was dancing to the sounds of "Scandal" an exciting band that had everyone moving to its contemporary beat. The attire was varied; some wore formal tuxes and elegant evening gowns and others wore more casual wear such as mini dresses and sports suits. The evening was to be one to be remembered.

Baron's Shine With Pride at Homecoming Game

(1)

Every year there is one football game that stands out from all the rest ... one game that is extra-special. That football game is of course, the Homecoming game. This year's Homecoming game took place on October 21 against the Westminster Lions at Orange Coast College before approximately 5,000 Baron fans.

At the beginning of the halftime ceremonies, the Homecoming King and Queen nominees were driven on to the field in antique cars. They were then escorted on to the center of the field where they anxiously awaited the announcement of the 1982-83 Homecoming King and Queen. This year's Homecoming King and Queen were Russell Geck and Heidi Christenson. The Princes were: Jim Spellman, Dale Frye, Brett Waterman, and Gary Field. The Princesses were: Patti Butler, Phyllis Richardson, Shelly Rhoades, and Susan LeValley.

Coming Alive at Pep Rallies

The one thing I will remember about my years in high school would be the weekly pep rallies. They were held every Friday in the bowl or the gym under the leadership of the Varsity cheerleaders. With their spirit and smiling faces they brought students to the bowl and pride into the upcoming football or basketball game. Pep officer, Wendy Sawyer, made these rallies a great success. The color guards and drill team performed with the band and captured the sound of the fight song.

The following evening at the Homecoming dance, Queen Heidi

Christenson and King Russell Geck along with their court: Brett Waterman, Shelly Rhoades, Patti Butler, Jim Spellman, Phyllis Richardson, Dale Frye, Susan LeValley and Gary Field danced the night away with their friends.

Taking a Look At Our Baron Faces

No two people are alike but on our campus they have one thing in common: they are Barons. Each and every Baron is an individual, independent from the others, but they are joined as one for the four years they attend FVHS by Blue Pride. As they get ready to graduate and to "face" new challenges ahead, they begin to lose their sense of "Blue Pride" and regain their sense of individuality again. What they don't realize is that they will always remain Baron's forever.

Striving For The Best

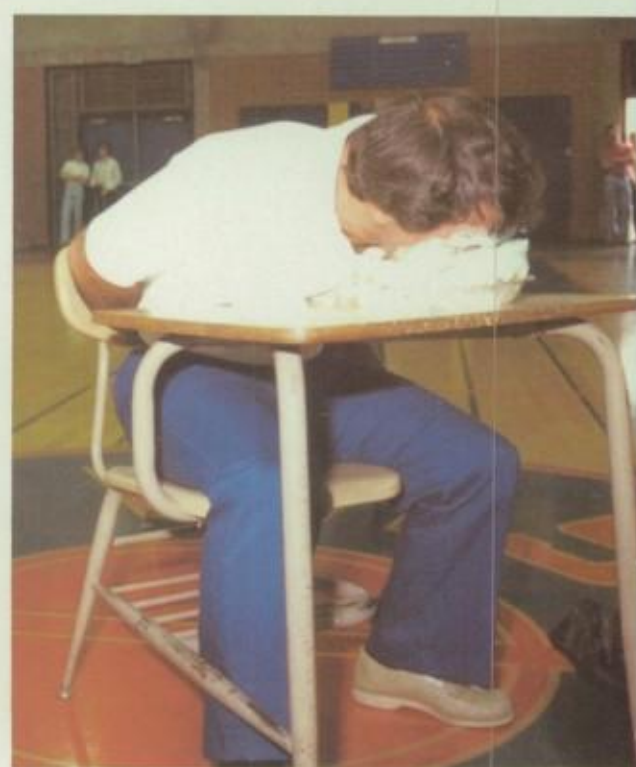

The 5 days preceding the Edison game, commonly known as Edison Week, took place during the week of October 25. Jello eating contests, cotton candy and a climactic pep assembly on Friday October 29 were the highlights of this special week. On the morning of the "big game" Edison's Associated Student Body Officers hosted the annual Fountain Valley-Edison Breakfast. Our Executive Council along with Mr. Hagen, Mr. Mickaelian and Coach Milner were among those who attended this traditional event.

Blue Pride . . . We've Got It!

What is Blue Pride? Webster defines "pride" as being the quality or state of being proud. So what is Blue Pride? For those of us who don't know, it is what we Barons have and always will have . . . pride in our school, ourselves and our community. Blue Pride is "homegrown" because we take the time to make ourselves into something we can all be proud of . . . BARONS. We carry Blue Pride with us wherever we go. Blue Pride . . . WE never leave school without it.

Barons Are Ready

The minute you enter high school you have to be ready to get involved and be aware of all the opportunities that surround you. Clubs, councils and many different career units are available. If you're getting ready for college you can acquire much information on further education. Being ready is a part of growing up and high school is where it happens.

M*A*S*H Brings 4077 Laughs

It took nine weeks in the making but it was well worth the effort. MASH, performed by a large group of highly talented Fountain Valley High School students, was a great success. Outstanding performances by Mike Murphy and Jack Dermand as Trapper John and Hawkeye Pierce, was one reason for the large audience that showed up each performing night. The play's successful outcome was due, in part, to individual performances, but largely due to the hard work of the backstage crew along with the well rehearsed and well performed parts by the entire cast. Under the direction of Carole Cooney, the students really put on a great show.

Friendship Is Camp Osceola

This special education camp experience encompasses physically handicapped, aphasic, educationally handicapped, deaf-blind, educable mentally retarded, chicano, vietnamese, as well as students from various clubs and groups. It provides a setting in which these students are not faced with the often hectic pressures of everyday life. Though often overly dependent upon their parents, they are taught that independence can be a rewarding experience. Through campfires, nature hikes, integrated cabin groupings and sports-related activities, the understanding of each others physical and social differences occurs. Campers enjoyed this and will remember this special time as a growing experience for a long time.

"Stepping Out" at Winter Formal

The 1983 Winter Formal Dance, in its third successful year, was held at the South Coast Plaza Hotel on the evening of February 10th. The dance is a very popular girl-ask-guy tradition here at the Baron Manor. It was a chance for "the shoe to be on the other foot" as girl after girl experienced nervous breakdowns wondering whether her intended beau would accept her invitation or reject it. But all the suffering and worry was well worth it as couple after couple enjoyed the special evening. The theme of the dance was "Stepping Out" and was well displayed in the decorations and atmosphere the Student Government created. Couples danced to the music of Surge, the band chosen for the evenings entertainment.

The Winter Formal King and Queen were Jay Russell and Joy Goeden. The court included; Julie Rhoades, Mike Newton, Lisa Gordon, Jim Wayne, Deanna Van Lighten, and Steve Kaloper.

Patriotic Week Salutes U.S.O. Dance

The highlight of Patriotic Week was no doubt the U.S.O. Dance, held on January 22, 1983, in the gym. Sponsored by Senior Commission, the first time dance was a great success! The World War II theme attracted sailors and single girls from everywhere! The purpose of the U.S.O. Dance was to allow these lonely servicemen to meet the "girl of their dreams," and have a great time. There was also a D.J. on hand to play 40's music as well as tunes of today.

The excitement began as "the stripper" song played, and the "best legs" contest was underway. This gave everyone a chance to be in the spotlight, and show off their legs to compete for a prize. There was also a "best costume" contest for all those who came in costume.

The U.S.O. Committee put a lot of time and hard work towards the preparation and success of the dance. The committee, led by dance chairpersons Dina Moriarty and Phillis Richardson, included: Pam Butler, Patti Butler, Gary Field, Joy Goeden, Lisa Keenan, Michele Kosmerl, Susan LeValley, and Jim Spellman.

With their time and effort, and the great participation of the students, the dance turned out to be a great success!

"Guys and Dolls" Brings Us to Broadway

As the end of the year approached us, our spring play "Guys and Dolls" really put us back in to a 40's mood.

Starting with auditions in January, many students made various parts in the play. Under the direction of Mrs. Cooney, Mrs. Clower and Mr. Antal, this recreation of the Broadway musical really was a change of pace for most drama students.

Leading roles were played by Jenny Peck, as Sarah Brown and Brian Sissel, as Sky Masterson. With rehearsals and a lot of time this years production of "Guys and Dolls" was a superb hit!!

TEXTBOOK TERRORS

My most memorable experience at Fountain Valley High School was when I was accused of losing an English book during my Junior year, and in order to get my Senior schedule, I had to look through over 200 books. My book was the third from the last one. It took me two and a half hours to find it!

INITIATION
My first day at Fountain Valley High School. It was after second period and I was walking to my locker when all of a sudden I see three varsity football players coming straight towards me. They picked me up and put me head first into a trash can. An experience I'll never forget!

HISTORICAL MOMENTS

The most memorable experience I have had at Fountain Valley High School was representing California and Fountain Valley High School in the 1980 Presidential Inaugural Parade for President Reagan. It was exciting to see the history of the United States, but more exciting to be a part of the history. I will always remember being in the 1980 Presidential Inaugural Parade, which was Fountain Valley's proudest year!

NEW EXPERIENCES

My Sophomore year when I made Drill Team was the best time I've had at Fountain Valley High School! The night before school I was kidnapped at 2:30 in the morning when they woke me up by squirting me with water and took a picture. They covered my head with a pillow case and took me in their car. They made me run down the Huntington Beach Pier at 3:00 A.M. when the winos were out. At school we were in our pajamas with baby oil in our hair and lipstick all over our faces. I was so embarrassed

SURPRISES

It was a normal Friday lunch-time pep assembly in the gym. Mr. Hagen entered the gym, but no one expected that anything was out of the ordinary. He continued to walk to the center of the gym and took the microphone. Everyone thought he was going to wish the football team "good luck" in the game, so no one paid close attention. What came out of the speakers in the next few seconds quieted the gym completely. "I just got a phone call from Washington D.C. Ronald Reagan has accepted the Fountain Valley High School Band to march in the Inaugural Parade on January 20th!" Screams and laughter came from the stands where the band played "Happy Days Are Here Again." The thrill I received from this experience was one I will never forget! We were chosen!

PRIDE

The best time I've ever had at Fountain Valley High School was the 1981-82 football game against Edison. The whole school got so involved and "Friday the 13th" became a very significant day. This school was so full of pride and spirit, the feeling of victory was here even before the game was played. The pep assembly got everyone really riled up. Even at the game, the electricity that was in the stands was a great feeling of Baron pride!

SENIORITIS

Were We Really Ready For It?

"What!!! I'm short 12 credits? I can't graduate with my friends?" Sound familiar? Yes, Seniors are the privileged ones. Old enough to be handed responsibility, yet young enough to enjoy it!

But that was only the beginning of our so-called privileges. We were the "good examples" looked up to by the underclassmen, who watched our every move, hoping to learn what we had over the years.

How could you tell if you had "Senioritis?" Well, it's my last year at Fountain Valley High School, so they can live without me for a couple of days — "I wonder how the beach is this time of year?" When you have senioritis, there is a logical explanation for everything — right? "Well, the reason I forgot to bring my library book back is because I ran out of gas on the way home to get a note to clear my truancy in this class, sir."

Yes, senioritis has its ups and downs, but once you've experienced it, you'll find that being a senior is a lot more than getting out of school at 12:00, writing your own notes, and senior pranks. This is the year we were supposed to grow up and learn what responsibility is, and prepare for college. No, seniors aren't perfect, but we're pretty close!

Ready or Not, You're A Graduate!

"I can't wait to graduate! This place is a jail. Four years of studying, testing, failure notices, and cold food from the cafeteria."

We put up with so much that sometimes it all seemed like it was for nothing, but it really wasn't. Your high school years are the years for growing and maturing. Believe it or not, these are the best years of your life!

So when you think back to the time when you said, "I can't wait to graduate," you'll laugh now and wonder where the time went!

SENIORS

ASSOCIATIONS

Council Increases Student Involvement

The key word for this year's Executive Council is involvement. Events such as Homecoming week, Spirit week, Edison week, and Patriotic week showed much more student participation than in past years. Under the leadership of Activities Director Mr. Mickaelian this group sponsored many activities for the students to enjoy. They achieved great success with teachers through Teacher Appreciation Week and Trash King and Queen campaign. Chairperson Phyllis Richardson helped to motivate the group to such great heights. Once again Executive Council proved to be an effective group in achieving the student's needs. The 1982-83 Executive Council will long be remembered for its accomplishments.

Administration Works for the Students

(1)

Student Administration is one of the three branches of government. They deal with everything from elections to changing the marquee. Although every member has a different job, they work together to finish every task. Through Chairperson John Nitao, the Administration keeps in touch with the student's needs. Administration also works closely with Executive Council, helping them plan their events. This year's Administration proved to be one of the best in our school's history.

(2)

(1) Tom Briggs can't believe what he hears.

(2) **BOTTOM ROW:** G. Leech, L. Keenan, R. Wessler, S. Reeves. **SECOND ROW:** T. Briggs, K. Nossaman, T. Sanchez, B. Deeley, J. Goeden, W. Sawyer, T. Clower, J. Doan. **TOP ROW:** F. Larson, J. Nitao, D. Chu, S. Grider, T. Feltman, M. Roberts, B. Hough, P. Reagin, A. Gilbert.

Senate Strengthens Communication

The 1982-83 Student Senate played a vital role in our Student Government. The Student Senators went to classrooms every week and informed students about activities on campus. They also answered questions about nearly every subject having to do with this school. Another important task for the Senators was to get feedback from students and then communicate this information to Executive Council. This two-way communication is extremely important. The students are more informed about activities, and the Executive Council is more aware of students' needs. Under the leadership of Chairperson Patti Butler and Vice-chairperson Wendy Holliday, the Student Senate proved to be an effective part of Student Government.

Seniors Raise Money for Graduation

(1)

The 1982-83 Senior Commission was ready for a busy and eventful year. Under the leadership of President Joy Goeden and Advisor Mr. Bovberg, this group of dynamic seniors planned many successful events. These include the U.S.O. Dance, Sadie Hawkins, and of course their own commencement activities. They also sold sweatshirts to seniors to promote class pride. Treasurer Gary Field helped advise the club on their financial matters. Senior Commission once again proved to be a fun club to be involved in on campus.

Junior commission spent a very busy year raising money for graduation activities and planning other successful events. They held the traditional carnation sale for Valentine's day, they also sold Class of '84 sweatshirts to members to raise money. Under the leadership of President Laura McCully and advisor Mr. Bovberg, these events went off smoothly and effectively. The 1982-1983 Junior commission was successful in raising money for graduation and spreading class spirit. The Class of '84 is ready for a very eventful senior year.

Sophomores Spread Class Spirit

The 1982-83 Sophomore Commission got off to a great start this year. Under the direction of President Staci Haynes and Advisor Mr. Winters, this group held many profitable fundraisers and other events. From Sophomore Commission, a Ring Commission was chosen. This group of students helped to design their class ring. The Class of '85 is definitely a very spirited class, and Sophomore Commission was a way to meet new friends and become part of that spirit.

Freshmen Have a Busy Year

Freshman Commission was a worthwhile organization to be involved in. Under the leadership of President Deanna Van Ligten, this group of energetic students got off to a good start. During Christmas, they sold Christmas trees, and in the spring they held a very successful candy sale. All of these fundraisers helped the commission raise money for their future use. The class of '86 looks forward to a promising future.

Varsity Wrestling Wrestles With the Score of 24-0

As in the past years, wrestling jargon has consisted of the following terms: take-down, reversal, penalty, fall, pin, and others. These terms are used by wrestlers, coaches, and of course, referees.

The Baron Varsity team completed an undefeated season with a 36-21 victory over Huntington Beach to win their 4th straight Sunset League Championship. The record of 24-0 set a new school record for most wins in a season by any team. Jay Russell (Fountain Valley's biggest asset), was the Baron's Most Valuable Wrestler as he capped a 30-1 season before the post season play-offs.

Varsity Baseball Team Swings Into Success

Between 2:00 and 5:00 p.m. each day the Baron varsity baseball team could be found practicing hard for the games that faced them. They are considered one of the better conditioned teams in their league. This was due to the hard work and determination each player put into making the '82-'83 season a winning one. Also 99% of the team went to summer camp which also helped them.

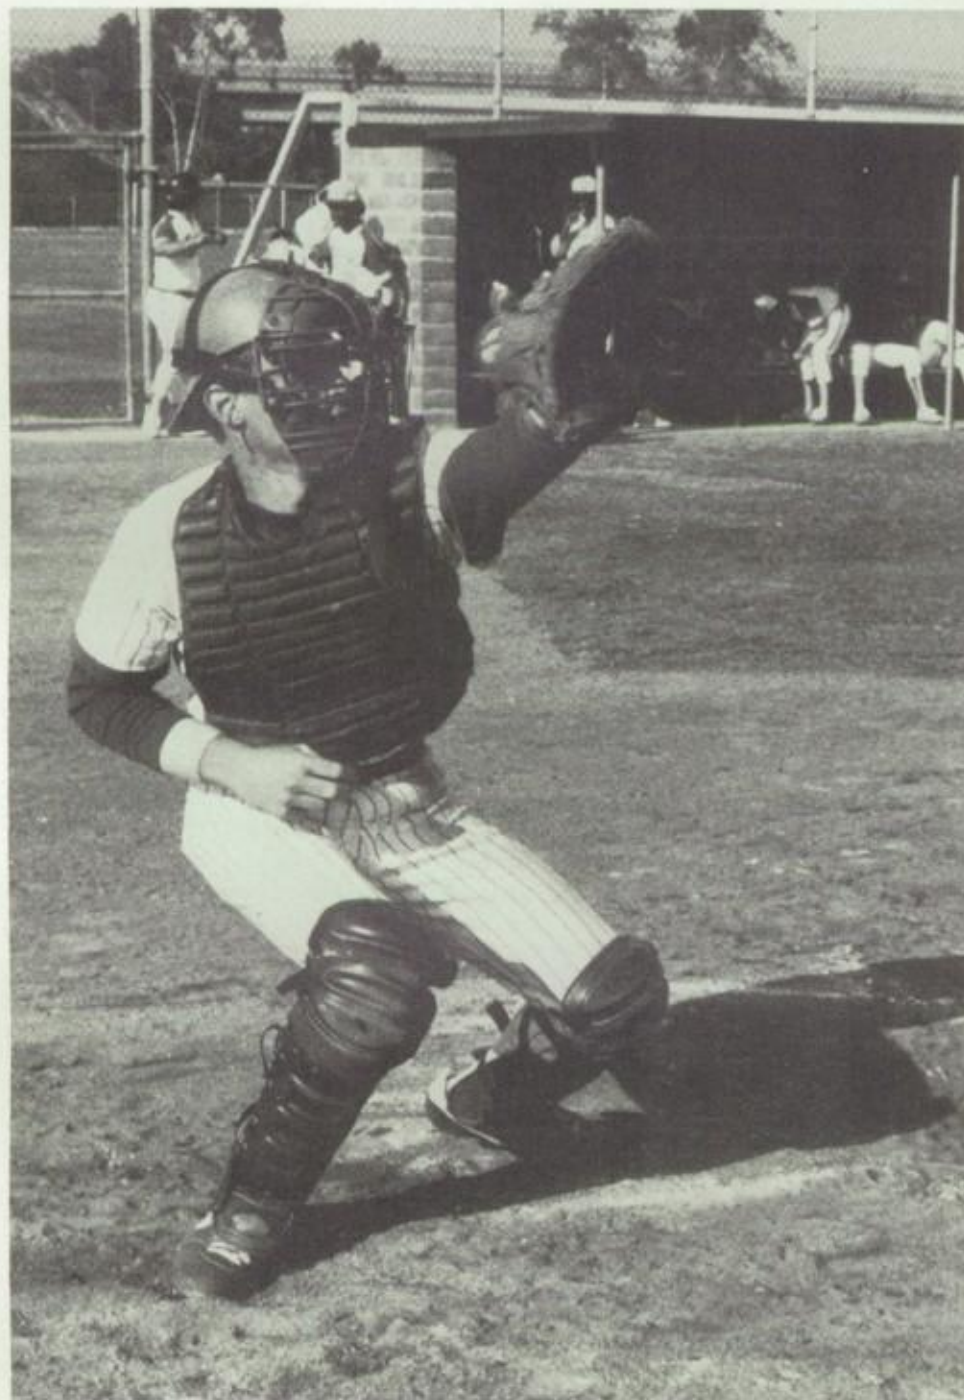

The team has many excellent players and some outstanding players such as: catcher Steve Pratt, center fielder Ken De Marco, who are also the captains, and outfielders Kelly Romine and Kevin Empting.

The team has three excellent pitchers this season: Greg La Master, Brian Belcher, and sophomore Bob Sharpnack who is considered probably one of the best for his age group.

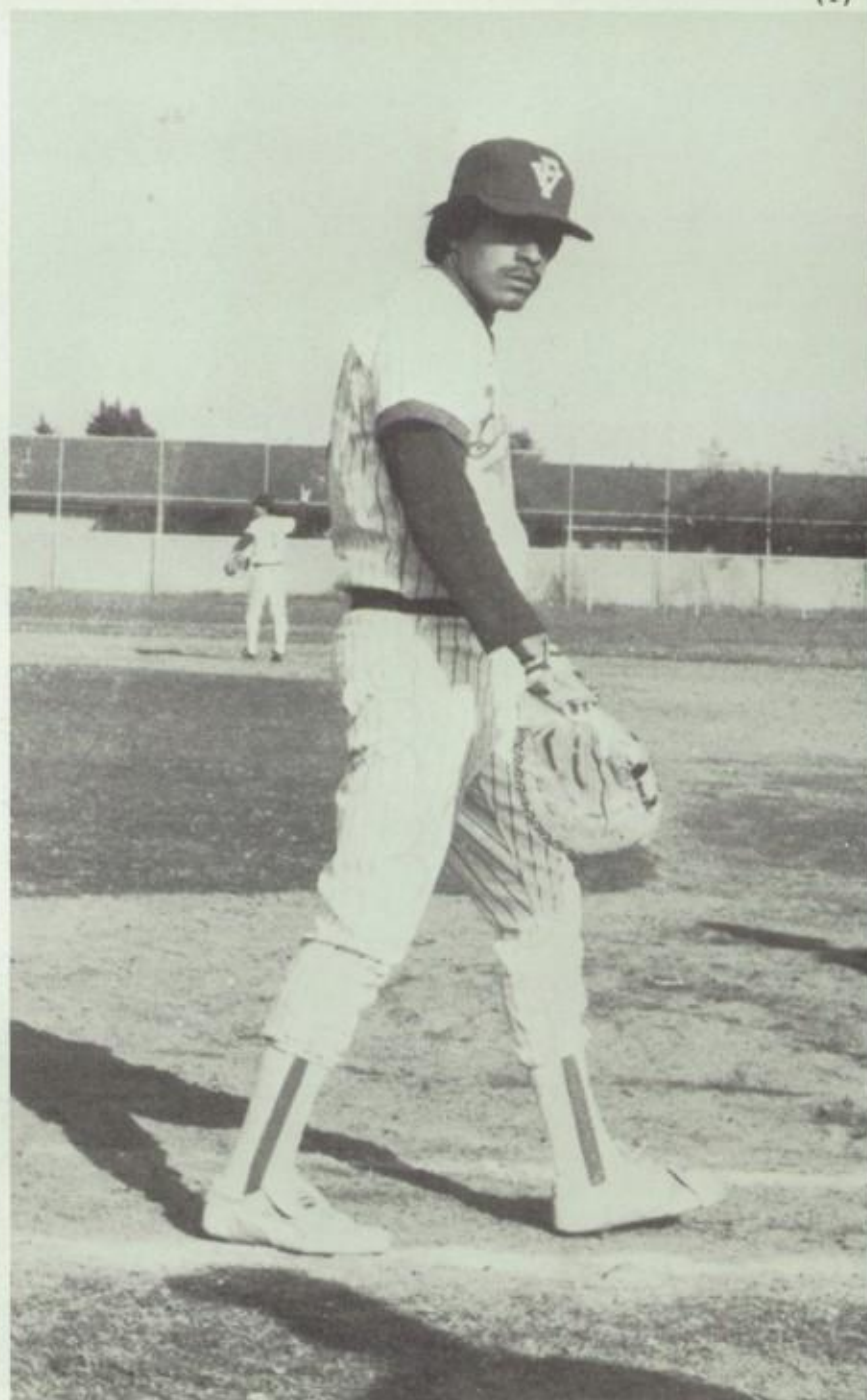

The team played most of its games at home this season thanks to the outstanding rebuilding job the team did on the baseball field.

Softball Slides Into 1st

This year's softball team was one of the finest teams ever to play at FVHS. The talent was superior and the general attitude was exceptional.

A mixture of experience and youth along with togetherness proved to be a winning formula. Our expectations were very high for an excellent season.

This year's team was led by four returning Seniors and two returning Juniors. All of which were starters last year. The remaining talent consisted of five Sophomores and two Freshmen.

The coaching staff was very fortunate to have the opportunity to work with such an outstanding group of girls.

Boys Varsity Soccer Kicks to the Top

Have you ever wondered what soccer is? Webster defines it as: A football game with 11 players on a side in which a round ball is advanced by kicking or by propelling it with any part of the body except the hands and arms.

Is it a fun game? Well, ask top senior player, Scott Sadalack, Chuck Smoot and Mike Sundy. The boys Varsity Soccer Team had a great season for the 1982-1983 school year. They won the Huntington Beach Tournament, and had a record of 0-6-4 in league.

Captains of the Varsity team were Chuck Smoot and Mark Folkins. Most valuable player was Mark Folkins, a terrific asset to the team! Most improved player Darrin Tass, improved in his game and led the team greatly. The Varsity team had an overall record of 12-9-4.

Girls Soccer Excels Down Field

In their second year the girls J.V. and Varsity teams had a great season. The team had many experienced players, as well as new players who improved throughout the year. The girls practiced long and hard for a season of long, hard games. Most valuable varsity player Jenny Liley, and J.V. Kelly Gray proved to be great assets to their respectable teams. This new sport is not only growing in the U.S., but also at F.V. Soccer is proving to be very popular among the girls.

Varsity Track Runs Away With It All.

Varsity Track completed another successful season highlighted by a number of outstanding individual performances and several individual league champions. All Sunset League meets were run in meters instead of yards this year to conform to CIF and international competitions.

Highlighting a strong group of sprinters was the performance of Rick Nichols a consistent winner in the high and low hurdles. Nichols teamed up with Chris Lung, Chris Sperle and Julian Harry to qualify for CIF in the 400 Relay. Utility runner Chris Sperle also saw duty in the 400, 800, and the CIF qualifying Mile Relay team. Ed Gould came back from an early season injury to join Sperle, Lung, and Hollindrake in the Mile Relay.

Field events were highlighted by the Shot Putting of Tambi Wenj, the long jumping of Harry, and a pole vault team that swept the first three places in almost every meet. Tom Pierson, Don Marion, and Brian Bianchi were the League's top pole vaulters.

Track Runs Away With Title

League Champions won by several Junior Varsity and Frosh/Soph athletes rode well for the future of the Baron's track team. "I was especially pleased with the new talent we found on our Frosh/Soph team," stated head coach Bill Thompson.

Standouts included Sophomore Sprinter/Hurdler Paul Reagan and Mike Keith, Distance runners Brent Venen and Tim Gould, and High Jumper, Russ Claytor.

Junior Todd Smith will be an important addition to next year's Varsity distance team. He led the JV distance runners along with Senior Dave Seguime.

Other highlighters on the JV team were Sprinters Bob O'Conner, Jeff Scobey, High Jumper Jeff Meyers, and Shot Putter Ernie Akina. Chris Tomko led the JV team in the Long and Triple Jumps, and Eugene McGy ran the 800 and Mile Relay.

Tennis Has a Smashing Season

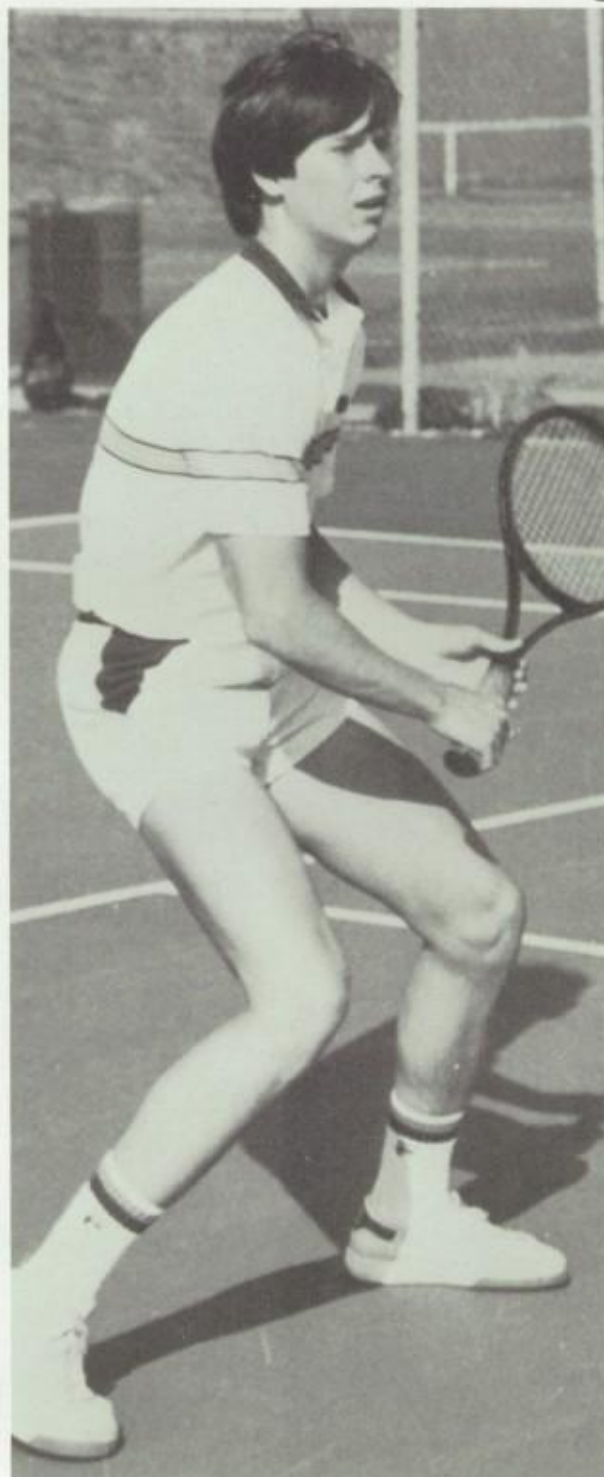

Pre-season victories were just a clue to the strength of Varsity Tennis. They have gained the confidence it takes to win championship titles. In a sport where individual effort is stressed, their unselfish attitude as a team has brought a new level of tennis to Fountain Valley.

Consisting almost entirely of freshmen, this team's skill is outdone only by their ability to outthink their opponents. Their talent at such an early stage in their career is unique. They will easily fill any void left by graduating Varsity players.

The future of Fountain Valley tennis is in good hands. These players show the desire and dedication it takes to learn the fundamentals early. Their rapid progress will be a great contribution to future teams.

What are teachers! Some people feel they are cold and unfeeling like machines that merely give information and compute figures. Or perhaps they are like hungry tigers waiting for their prey to walk into class tardy for the fourth time. Some teachers may be both, but most are just ordinary human beings. This stereotype analogy will undoubtedly always exist because many students forget that teachers have likes, dislikes, hobbies, and even other jobs. Students must look past homework and tests to see that "Teachers are people too!" Luckily, for many teachers, teaching doesn't consume every moment of their lives, so they have weekends and vacations to explore other hobbies and extra-curricular activities. Some students may even find these teachers interesting . . .

A Staff of Many Interests

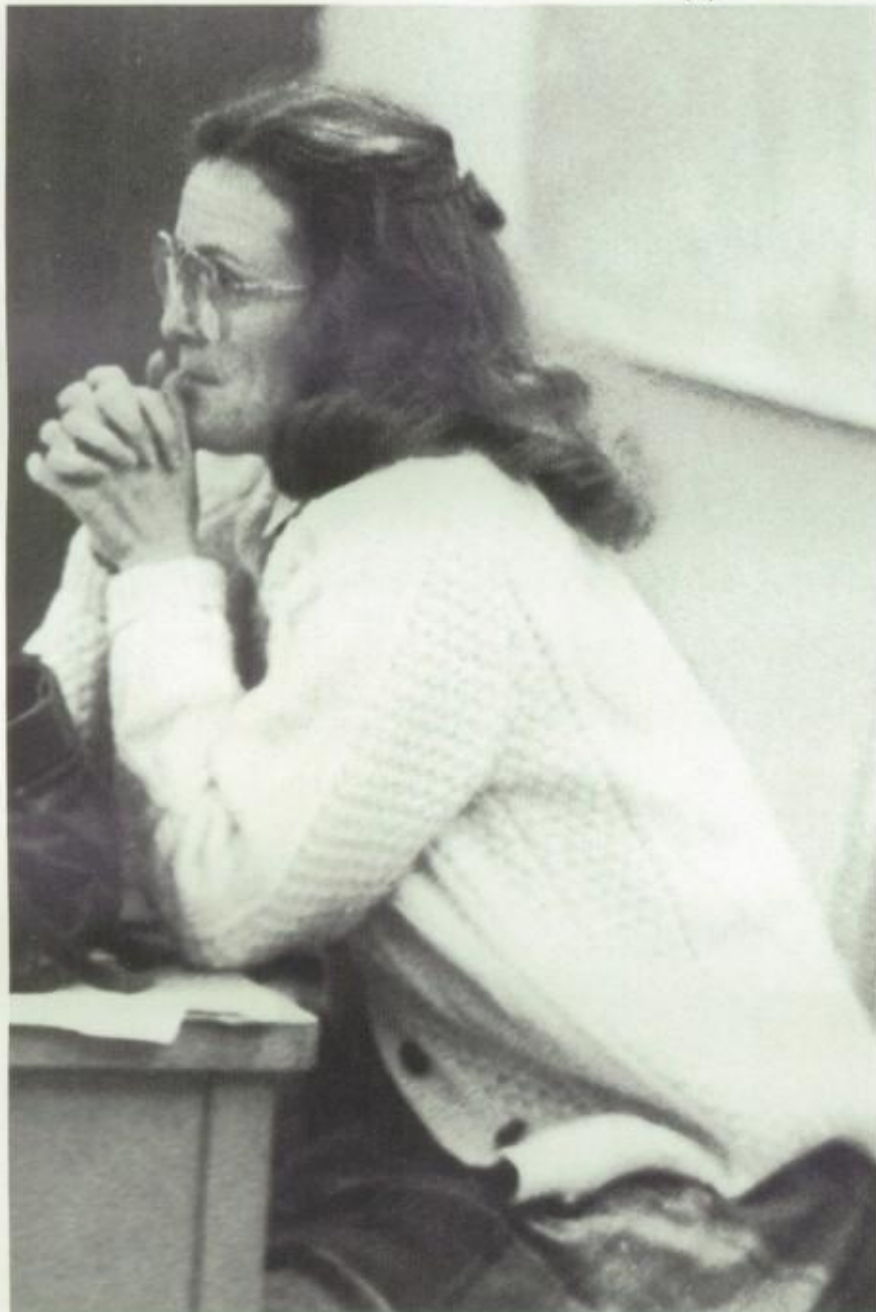

... Teachers are not the only staff that are interesting, having likes and dislikes, hobbies, and extra-curricular activities. **Mr. Hagan**, for instance, enjoys tennis for exercise and relaxation. His hobby is gardening at home and helping his kids with sports on weekends ... **Ms. Halloran** enjoys jogging every day, sewing, and traveling when she can find the time ...

Like students, Faculty members also have ways of unwinding and relaxing through art, exercise, entertainment, and creativity. So next year, students should remember to look past the stereotype teacher and see that "Teachers are people too."

FACULTY

CLOSING

The Senior Class Favorites were chosen by their peers for having some outstanding talent, contribution, or feature. These were our Favorites for the class of 1983:

For Most Likely to Succeed we chose Mark Wan and Grace Cho. They both maintained a grade point average of 4.0 throughout their years at FVHS.

Keven Empting and Joy Goeden were chosen Best Personality by their fellow Senior Class.

The students that Contributed Most to our class were Gary Field and Patti Butler. Thanks!

Our two better known students on campus were Brett Waterman and Heidi Christen

son, they were chosen Most Popular for the Class of '83.

Most Humorous went to Pat Minns and Laura Plum. These two were able to keep humor alive on campus.

Best All Around, Jay Russell and Phyllis Richardson, will always be appreciated for their fun and hard work at FVHS.

Howard Kanae and Lisa Keenan, voted Most Spirited, could always be found at Baron events keeping the FV spirit alive.

Chuck Smoot, whose athletic abilities included various sports, and Sam Arledge, whose athletic talents not only included basketball, but also softball, were chosen as the Best Athletes of 1983.

Roger Loyo and Traci Carlino were voted Most Flirtatious by their classmates.

If there was a line for complaints, you could always find Steve Reeves and Dina Moriarty, voted Biggest Complainers, right in front of the line.

Russ Geck and Therese Feltman were given the award of Friendliest because they were able to get along well with fellow students, and were liked by many.

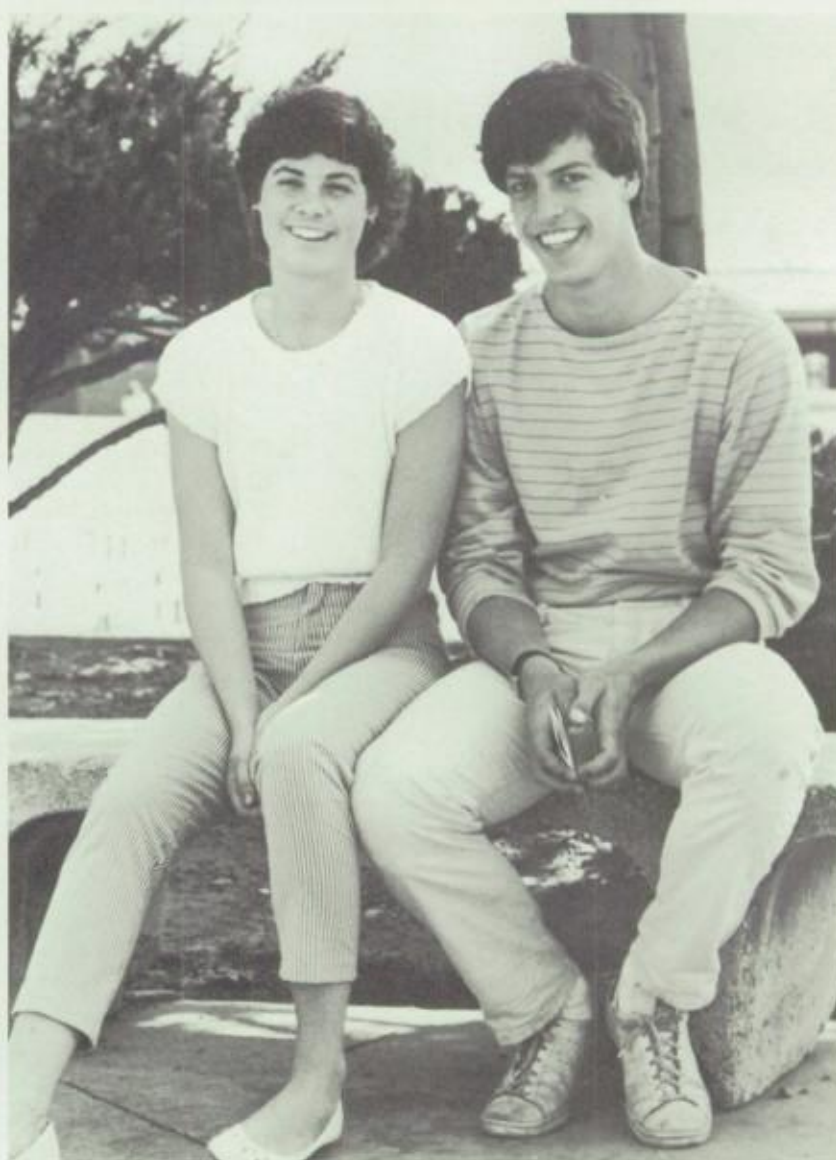

Jimmy Spellman and Patti Butler were voted Cutest Couple for the year, these two really look nice together.

Todd Powley and Jenny Jefferies were voted best looking by their class.

Best Dressed Jim Spellman and Shelly Rhoades were always in style. Dave George and Gina Doti were voted to have the best eyes.

Chosen for cutest smile Rick Nichols and Karen Dalessi could make Donny and Marie Osmond jealous.

Ready or Not It Happened . . .

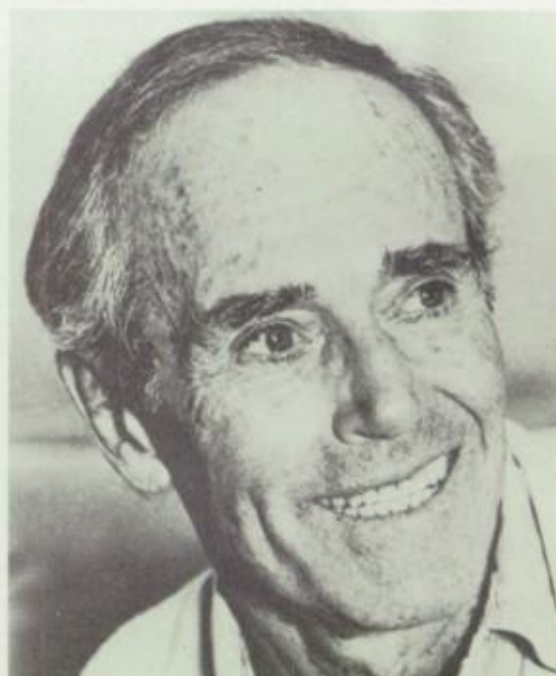

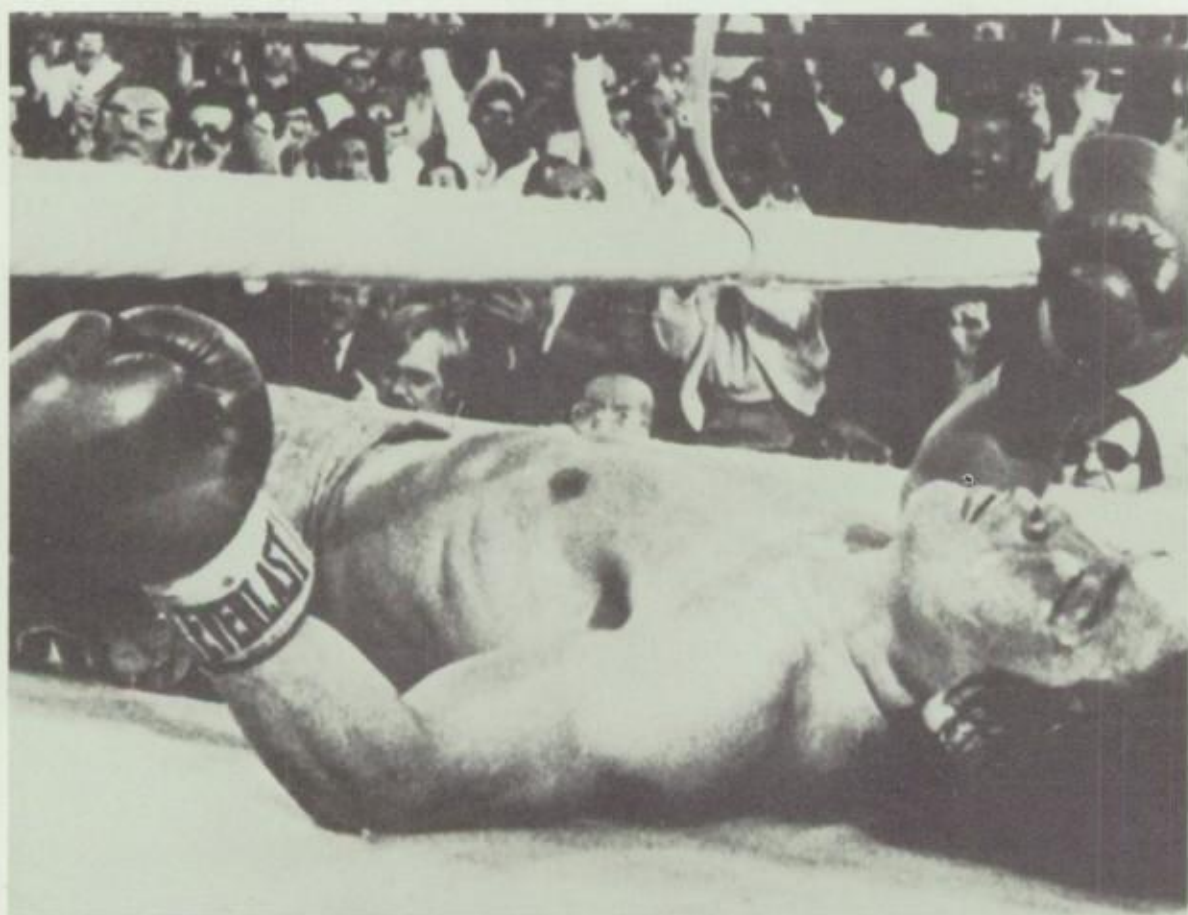

The 1982-83 year proved to be eventful. In late '82, seven people died as the result of taking the once very popular medicine Tylenol. The medicine was found to have deadly cyanide poison inside the capsules.

On June 21, 1982, Prince William was born to their Royal Highnesses The Prince and Princess of Wales.

The summer hit movie E.T. was a big success with all age groups. Drew Barrymore was just one of the very talented group of performers.

On November 13, 1982, Korean boxer Duk Koo Kim suffered fatal head injuries in a lightweight title fight with "Boom Boom" Mancini. This unfortunate accident raised many questions as to the safety of the popular sport.

Academy award winning actor, Henry Fonda passed away after a long and successful career starring in films like: *The Grapes of Wrath* and *On Golden Pond*. Henry will be missed by both young and old alike.

Other film stars that passed away were Princess Grace of Monaco, former known as Grace Kelly, Ingrid Bergman, and John Belushi. These popular stars may be gone but they will be remembered through their great contributions to the film industry.

Soviet President Leonid Brezhnev died, putting Yuri Andropov into Soviet power.

In Salt Lake City, Utah a big scientific breakthrough was made when sixty-one year old Barney Clark became the first recipient of a plastic artificial heart. His doctor was D. William DeVries at University of Utah Medical Center.

On March 1, 1983, the entire state of California was devastated by severe rain storms which caused flooding, high surf, high tides, high winds, and 8-10 inches of rain, all combined to create many disasters such as destruction of homes, piers and caused electrical power outages. As you can see by picture number 2, our swim team could have worked out on the track.

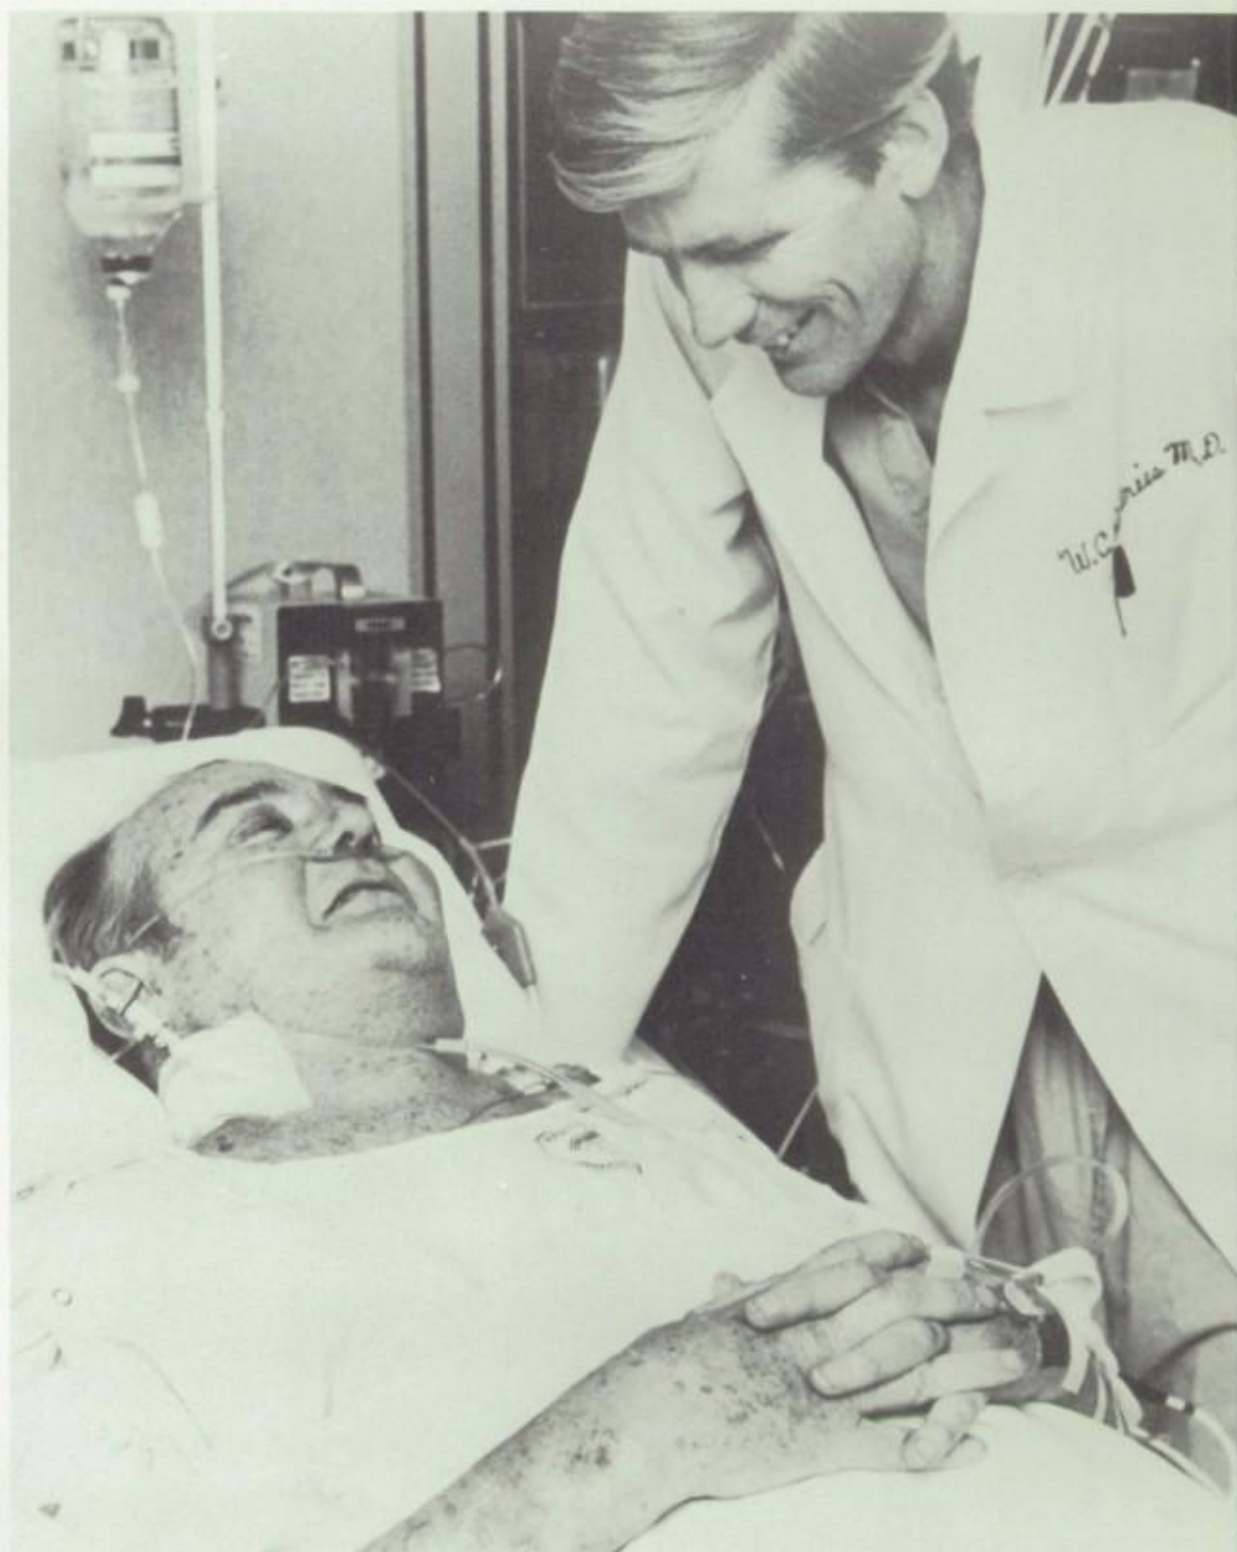

The 1982 Football season was the owner of the first National Football Strike. Many fans were angered and couldn't understand the reasons for the strike.

The St. Louis Cardinals became World Champions after defeating the Milwaukee Brewers in the 7th game of the World Series.

Argentinian Soldiers were held prisoner at Goose Green in East Falkland by Royal Marines shortly after their surrender ended in conflict between Great Britain and Argentina.

Eight hundred of our US Marines were sent abroad to take up peace time duty in a war shattering Beirut port area where they were to oversee the departure of Palestine Liberation forces ousted by Israel.

This year has been quite a challenge. I never anticipated all of the time and effort that goes into being Yearbook Editor.

I think I'll always remember those nights staying up until 4:00 in the morning (Shelley!). Also it will be hard to forget Neal Weisman's cheery hello bright and early every morning.

Thank you Mr. Wheaton for being more than an advisor — without you and my bowl of "Wheaties" every morning I couldn't have made it through the year.

Thank you Halls, Mr. Eddy, and a special thanks goes to Hank Schellingerhout, who will always be a member of Fountain Valley's Raconteur Staff.

Well Tony, we made it! We've come a long way since the Toga Parties at Yearbook Camp.

To my staff, I wish to congratulate you on your ability to survive being with me for a whole year. Seriously though, thanks for a great job!!

It was great knowing you this year. Even though we didn't do so hot in Spanish the class was fun. Just think next year you'll be a big senior, and I'll only be a sophomore, but oh well that will be better then being a Freshman. Have a great summer. Hope to see you around. Maybe some night I'll go to Old World and see you there o.k.
